

Come celebrate 70 years of the best!

Since 1954 Triangle Disability & Autism Services has been at the front of supporting people with disabilities. So we invite you to help us to celebrate our 70th anniversary at the biggest bash of the year.

2024 is a huge year for us. We have opened the doors to the Building Abilities Center on the Cisco RTP campus. The center is home to the **Building Abilities Day Program**, our summer camp, staff offices, and will host a wide variety of community events. I hope we can count on your generous sponsorship to ensure the future of this great development!

With a 1950's theme as the backdrop for this year's gala, **Casino Royale** will be a high-energy, interactive evening with all the excitement of Las Vegas because you are "betting on a good cause"! Join us at Marbles Kids Museum in downtown Raleigh, Saturday, September 14th, 2024, to enjoy authentic casino games with great prizes. Don't forget about dinner, music, an exclusive raffle and an auction with everything from fine jewelry to a getaway vacation.

We have a vision- to be part of creating an inclusive, accessible community where every person thrives. So join us Saturday, September 14th and with you as a sponsor we will make our vision a reality.

We know that you care about the community, and what better way to show that than to celebrate 70 years in our community, making a difference. Choose the sponsorship that best fits your needs and enjoy the benefits that come with it at an evening going back in time to when it all began! We will be in touch soon to follow up and answer any questions you may have or feel free to call me at 919-942-5119 x117 or email me at jpfaltzgraff@arctriangle.org.

Thank you for your financial support of Casino Royale and for betting on a good cause.

Sincerely,

Jennifer Pfaltzgraff
Executive Director
